**\*\*SURVEY:** Considering the COVID-19 pandemic, we want to be sensitive to everyone as we begin a to return to some normalcy. In October, we had our first in-person event at the Colburn School along with the LA Opera League, it was a nice event, and yet understandably there were some limitations. *The following survey is to help us know how to better serve you.* Ultimately, our goal is by the end of 2022 (all things considered) to have in-person events in both Los Angeles and San Diego, which will simultaneously be live-streamed and recorded for our archives via ZOOM. (We are in the process of looking for "economical venues" that will be able to support a fast enough internet connection to do so.) Please fill out the form below and answer accordingly. You are welcome to add any additional comments as well.

Starting in 2022, for the following 6 months or so, I would prefer to:

- Continue with ZOOM events rather than in-person.
- Return to in-person meetings ASAP (with possible venue restrictions).
- Doesn't matter to me I will be involved whatever the WSSC decides.
